CERTIFICATES OF PAYMENT AND INVESTMENT OF CAPITAL, AND ISSUE OF CAPITAL STOCK.

The attention of the officers of public service corporations is called to the requirements of the corporation laws respecting the filing and recording of certificates of payment and investment of capital. Special attention is asked to the following: Revised Laws, chap. 110, sects. 43, 44, 45, 58 and 59.

The attention of the officers of trading corporations is called to the requirements of section 14 of chapter 437, Acts of 1903, which provides that no issue of stock subsequent to the issue of stock certified by the articles of organization *shall be lawful* until a certificate pertaining thereto shall have been filed in the office of the Secretary of the Commonwealth. Section 41 of chapter 437, Acts of 1903, provides that no amendment or alteration of the agreement of association or articles of organization shall take effect until said articles of amendment shall have been filed in the office of the Secretary of the Commonwealth.

CORPORATIONS CREATED BY SPECIAL CHARTER TO FILE EVIDENCE OF THE ORGANIZATION.

INDEX, RECORDS, FEES, PUBLICATIONS, ETC.

A card index has been prepared, embracing references to all acts of incorporation and amendments thereto of corporations created by the General Court since the year 1780, and to every certificate recorded in the office under general laws concerning joint stock and other corporations, since the year 1851, when the first certificates were recorded. This index includes corporations created for the following purposes, arranged under their proper classification: manufacturing, trading, mercantile and industrial companies; railroads; street railways; steamboat, towing, express and coach companies; gas and electric, water supply, telegraph and telephone and water-power companies; proprietors of common lands; bridges and ferries, breakwaters, buoys, harbors and moorings, channel locks and canals, dry docks and marine railways; insurance companies, savings banks, co-operative banks and safe deposit and trust companies; asylums; home dispensaries, hospitals, medical societies; general charities; training schools for nurses; cemeteries; clubs; boards of trade; and associations for educational, religious, mechanical and professional purposes; also, certificates of condition of Massachusetts corporations since the year 1870 and those of foreign corporations since the year 1892.

The records of religious and benevolent associations date only from the year 1874, when the existing law for their formation, and for the filing of their certificates in the Secretary's office, went into effect. The office has no knowledge of the legal existence of those formed previously to 1874 under general law, as the certificates of such organizations were required to be "recorded in the office of the register of deeds for the county or district" wherein they were located; nor has it official information of any class of corporations *dissolved* by the supreme judicial or superior courts previous to 1880.

Every fee paid into the office for recording under the provisions of chap. 224 of 1870, and every subsequent corporation act (as well as those of some years previous), has been made a matter of record with the certificate itself, the money being paid into the treasury at the time designated by the statute.

Abstracts of the organization certificates and annual returns are made and published daily and weekly by the representatives of various newspapers and trade journals for the accuracy of which this office is not responsible.
